PROFESSIONAL SUMMARY

Detail-oriented B.Com (Financial Accounting) undergraduate with hands-on experience analyzing financial data for 100+ companies, computing 65+ financial ratios, and building interactive Power BI dashboards. Certified in Advanced Excel (Internshala), Power BI (Microsoft & AICTE), and AI Literacy (IBM–Credly, TCS iON). Adept at leveraging AI-assisted tools and data analytics to drive actionable business insights. Seeking entry-level roles in Finance, Data Analytics, or MIS at a data-driven organization.

EXPERIENCE

Finance Intern & Team Captain <i>UptoSkills (AICTE Internship Portal)</i>	February 2026 – Present India
– Selected through AICTE’s national internship initiative; led a cross-functional team ensuring timely delivery of data collection, analysis, and reporting tasks. – Executed the Financial Parameter Analysis project, collecting and structuring KPI data for 100+ companies across FY2022–FY2024. – Computed 65+ financial ratios (liquidity, profitability, leverage, efficiency) for 5+ companies across FY2020–FY2024 to evaluate financial performance and trends. – Conducted year-on-year analysis of revenue, profit/loss, and key ratios to identify growth trends and profitability shifts. – Utilized Advanced Excel and AI-assisted analytics tools to enhance data accuracy and analytical efficiency; consistently met weekly reporting targets.	
Tools: Advanced Excel, AI Analytics Tools, Financial Modeling, KPI Dashboards	
Power BI Intern – Microsoft Elevate Program <i>Edunet Foundation (Microsoft & AICTE)</i>	February 2026 – Present India
– Selected for the Microsoft Elevate x AICTE 4-Week Internship on Emerging Technologies (February 2026 Batch), focusing on Power BI and data visualization. – Built end-to-end proficiency in data cleaning and transformation using Power Query, data modeling, table relationships, and multi-source data integration (Excel, CSV, databases). – Developed interactive dashboards and visual reports in Power BI Desktop using DAX formulas; published and shared reports via Power BI Service. – Solved a real-world business problem under industry mentor guidance; passed program assessment and earned a co-branded Microsoft & AICTE certificate.	
Tools: Power BI Desktop, Power BI Service, Power Query, DAX, Data Modeling, Data Visualization
