Experience

UptoSkills

Finance Intern & Team Captain
February 2026 - Present (2 months)
India

Selected for the Finance Internship through the AICTE Internship Portal, formally registered under AICTE's national internship initiative.

- Led a cross-functional team, ensuring timely delivery of data collection, analysis, and reporting tasks.
 - Executed the Financial Parameter Analysis project, collecting and structuring KPI data for 100+ companies (FY2022–FY2024).
 - Computed 65+ financial ratios for 5+ companies across FY2020–FY2024 to evaluate financial performance.
 - Conducted year-on-year analysis of revenue, profit/loss, and key ratios to identify growth trends and profitability shifts.
 - Utilized Advanced Excel and AI-assisted analytics to enhance data accuracy and analytical efficiency.
 - Collaborated cross-functionally to maintain data integrity and consistently meet weekly and daily reporting targets.
-
- Tools: Advanced Excel, AI Analytics Tools,

Edunet Foundation

Power BI Intern – Microsoft Elevate Program

February 2026 - Present (2 months)

India

Selected for the Microsoft Elevate x AICTE 4-Week Internship Program (February 2026 Batch) on Emerging Technologies, focusing on Power BI and data visualization.

- Completed Microsoft Learn courses on Power BI fundamentals and data analytics, and attended expert-led masterclasses covering end-to-end BI workflows.
- Built hands-on proficiency in data cleaning and transformation (Power Query), data modeling, table relationships, and multi-source data integration (Excel, CSV, databases).
- Developed interactive dashboards and visual reports in Power BI Desktop using DAX (Data Analysis Expressions) formulas and published reports via Power BI Service.
- Worked on a real-world business problem with industry mentor guidance, submitted a project presentation, and successfully passed the program assessment.
- Earned a co-branded certificate from Microsoft & AICTE upon program completion.

• Tools: Power BI Desktop, Power BI Service, Power Query, DAX, Data Modeling, Data Visualization
